

BUILDING A BETTER WORLD

U.S. Presidents Salute B'nai B'rith

**B'NAI B'RITH
INTERNATIONAL**

Since our founding in 1843, B'nai B'rith has been a leader in the fields of community service and philanthropy. Our vital work around the globe, spanning three centuries, has been recognized by U.S. presidents and other world leaders. From Grover Cleveland to Joe Biden, American presidents have acknowledged that B'nai B'rith's commitment to promoting programs of tolerance and diversity, enhancing cooperation between all races and religions and serving the vulnerable has enriched not only the Jewish people, but all people. In the following pages you will find tributes from American presidents taken from their correspondence and public statements. Their words are an enduring testament to our unwavering commitment to building a better world — a commitment we carry into the future.

A society formed for the
furtherance of such noble
purposes as that of B'nai B'rith
should not only excite the
enthusiasm of its members, but
should also inspire the good
wishes of all who desire to see
humanity bettered and the
higher instincts of our nature
cultivated.

The fine work of B'nai B'rith ...
undoubtedly contributes to the
uplift and betterment of the

It is a pleasure to bear witness to the high ideals of public service that animate B'nai B'rith, and to the practical intelligence with which its broad policies of social service and philanthropy are carried into execution. Its usefulness, not only in the United States but also in Europe and the Near East, is everywhere recognized with gratitude; while in this country I would especially commend its example in working for mutual magnanimity, understanding, and cooperation between all races and creeds.

B'nai B'rith has effectively
served the well-being of
American Jewry and the Nation.
Its philanthropic achievements
are permanently enshrined ...
its endeavors in the realm of

its programs of good will strive

our American society.

The B'nai B'rith Mission

*Promoting Tolerance • Combating Anti-Semitism • Providing Disaster Relief
Building Better Communities • Advocating for Israel • Supporting Seniors*

Since 1843, B'nai B'rith International has been dedicated to improving the quality of life for people around the globe. A constant source of innovation and charity for populations around the world, B'nai B'rith has founded hospitals, orphanages and senior housing communities; and launched disaster relief campaigns, child safety initiatives, tolerance education programs and countless other initiatives in the public interest. Today, B'nai B'rith serves individuals and communities around the world.

Currently, B'nai B'rith International is a national and global leader at the United Nations promoting universal human rights; helping communities in crisis; providing senior housing and advocacy on vital issues concerning seniors and their families; promoting diversity and tolerance education; and advocating for Israel. The notion of volunteers doing good work in their communities and beyond is the mission that has driven our organization since 1843. Over the course of three centuries, the B'nai B'rith network has evolved, grown and adapted with the changing times, but our core values and mission of improving the lives of those around the world remain the same.

Through the combined efforts of dedicated volunteer leaders and professional staff, wherever there is a need, there is B'nai B'rith.

Global Affairs & Public Policy

B'nai B'rith was present at the founding of the United Nations in San Francisco in 1945, and has taken an active role as an NGO (non-governmental organization) at U.N. venues around the globe ever since. In addition, B'nai B'rith continues to be a vocal advocate for human dignity at many other international organizations, with a wide range of foreign governments and through a diverse spectrum of faith-based and ethnic groups.

B'nai B'rith's involvement in international affairs dates to the 1850s, when the organization spoke out against Switzerland's anti-Semitic treatment of its Jewish residents. As we have throughout our history, B'nai B'rith continues to combat the scourge of anti-Semitism and other forms of discrimination still present today. B'nai B'rith International is dedicated to sounding the alarm about anti-Semitism and marshaling efforts to combat and eradicate, wherever possible, this phenomenon.

B'nai B'rith also plays an active role in cultivating religious tolerance and international cooperation. This is done through high-level meetings with top government leaders, as well as through grassroots education projects such as our Diverse Minds Youth Writing Challenge and our None Shall Be Afraid essay contest, where students provide ideas on combating anti-Semitism.

Today, no other Jewish organization can point to a longer, more all-encompassing history of service to Jews and all people around the world. B'nai B'rith International continues to bring a strong voice to humanitarian, international and domestic policy.

INTERNATIONAL ADVOCACY

B'nai B'rith International has had NGO status at the United Nations since the world body's founding conference. Today, B'nai B'rith continues to represent the Jewish people at U.N. hubs around the globe, including those in New York, Geneva and Paris.

INTERCOMMUNAL AFFAIRS

GOVERNMENT RELATIONS

B'nai B'rith International leaders regularly meet with lawmakers to discuss the most pressing issues of the day. Our experts testify on Capitol Hill on a range of legislation.

The text includes: "NONE SHALL BE AFRAID ESSAY CONTEST", "Scholarship Opportunity For College Students Win Up To \$2,500 Toward Your College Tuition.", "Anti-Semitism has become increasingly visible in the digital era. Despite the restrictions faced by researchers and Jewish community organizations due to the limited data provided by both companies, anti-Semitic comments can easily be found on all major social media platforms. One study has estimated that more than 10% of all tweets about Jews and Jewish news anti-Semitic.", "Deadline: JULY 17, 2023", "B'nai B'rith is a 501(c)(3) organization. All donations are tax-deductible. For more information, visit www.bnaib.org/none-shall-be-afraid-essay-contest."

NONE SHALL BE AFRAID ESSAY CONTEST

Channeling the next generation, this contest invites college students to examine modern anti-Semitism and offer ideas for confronting this pervasive issue. College scholarships are awarded to the top three essays and the winning essay is published in B'nai B'rith Magazine.

Community Service

B'nai B'rith's community service efforts date back to the mid-1800s, when victims of a Baltimore, Maryland, flood were the first recipients of B'nai B'rith disaster relief funds. In 1865, B'nai B'rith funded its first international assistance project, helping victims of a cholera epidemic in pre-state Israel.

The roots of those first relief campaigns continue to grow today as B'nai B'rith urgently responds when natural and man-made disasters occur or when communities are in need in the United States or around the globe. B'nai B'rith helps from the outset and remains to rebuild and offer assistance, even after first responders have left the scene. From Sri Lanka to New Orleans, and from Haiti to Japan, from Maui to Morocco, B'nai B'rith seeks to fill the needs that might otherwise be overlooked.

In addition to aiding communities in crisis, or places devastated by disaster, B'nai B'rith volunteers are active in their local communities with a wide variety of local projects. These range from distributing food to shelters and schools to feed the hungry, bringing joy and gifts to children in the hospital, educating communities on keeping their children safe and much more.

DISASTER RELIEF

Working independently or in partnership with other nonprofit organizations, B'nai B'rith is there in the immediate aftermath of a disaster and stays to help when most others have moved on. Pictured here is B'nai B'rith's immediate response, in partnership with IsraAID (the Israel Forum for International Humanitarian Aid), to bring rescue, medical and logistics teams to Port-au-Prince following the devastating 2010 earthquake in Haiti.

HUMANITARIAN AID

B'nai B'rith has brought tens of millions of dollars worth of supplies, medicine and relief efforts to communities in need throughout Latin America, Cuba and Africa. Pictured here is a mission to aid Sudanese refugees in the ongoing humanitarian crisis.

VOLUNTEERING IN THE COMMUNITY

Isadore Garsek Lodge in Fort Worth, Texas, brings Passover to the people. Lodge members planned, cooked and served a Passover lunch at the Beth El Temple for more than 40 Seniors. Lunch included all traditional Passover food, prepared by lodge members. From thanking first responders for their hard work, to hosting a Passover Seder, lodge members are out and about in the community.

FOOD DISTRIBUTION

Members from the B'nai B'rith Great Lakes Region volunteer in Detroit, Michigan, for Project H.O.P.E. (Help Our People Everywhere)—a community action project where B'nai B'rith volunteers collect and distribute food packages to the poor and elderly during holidays.

Pursuing Peace and Security

Starting in 1888, B'nai B'rith began its presence in what was pre-state Israel with the creation of the first Jerusalem Lodge, which began laying the foundation for the cultural, economic and social rebirth of the Jewish homeland. Another milestone was reached in 1980 with the establishment of the B'nai B'rith World Center-Jerusalem.

The World Center is our connection to a wide range of governmental, academic and cultural institutions in Israel. The center promotes strong Israel-Diaspora relations. It is the voice of the B'nai B'rith community to the Israeli government, national institutions and civil society in Israel. The World Center also sponsors community service work, cultural programs and interchange.

B'nai B'rith is a staunch promoter of peace, security and coexistence between Israel and all of its neighbors, and a voice for fair and constructive policies on the Middle East at the United Nations, in world capitals and at a variety of multilateral settings. Domestically, we share our concerns by communicating regularly with the White House, Congress and State Department. We provide analysis and perspectives on current Middle East issues, and we facilitate efforts to provide humanitarian assistance abroad. As a founding member of IsraAid (the Israel Forum for International Humanitarian Aid), B'nai B'rith also works with other relief organizations to bring disaster relief and emergency assistance to diverse populations around the globe.

GLOBAL LEADERSHIP

B'nai B'rith regularly meets with heads of state, such as German Chancellor Angela Merkel (center), to illuminate the unjust treatment Israel receives in world venues. We work together with world leaders to recognize and combat anti-Semitism within their own populations.

GLOBAL ADVOCACY

B'nai B'rith leaders from the United States, Canada and several European countries meet in Geneva at the United Nations Human Rights Council to advocate on behalf of Israel and the global Jewish community.

ISRAEL EMERGENCY FUND

In 2012, B'nai B'rith International opened its Israel Emergency Fund to aid victims of the Hamas rocket and mortar attacks from Gaza. The funds raised assist Israeli residents in the areas struck by the terror attacks and also provide for personal needs of soldiers from the Israel Defense Forces serving in that region.

Senior Housing and Advocacy

B'nai B'rith International is the largest national Jewish sponsor of federally subsidized housing for low-income older adults in the United States, with 37 buildings in 28 communities. Since 1971 B'nai B'rith has worked in partnership with the Department of Housing and Urban Development (HUD) to make rental apartments available for senior citizens with limited incomes.

B'nai B'rith senior housing currently serves more than 5,000 low-income seniors and is open to all qualified individuals as defined by HUD, without regard to race, color, religion, sex, handicap or national origin. In addition, B'nai B'rith has international senior housing options in five countries around the world.

With our unparalleled expertise in aging issues, we are a respected voice on a wide range of topics of concern to older adults. We advocate to policymakers in Washington, D.C. and across the country on issues impacting seniors including Social Security, aging in place and affordable housing, access to quality health care, Medicare and minimum wage.

SENIOR HOUSING

The lack of an adequate supply of safe, affordable housing for low-income persons is a serious problem in the United States. As the largest national Jewish sponsor of low-income housing for seniors in the country and a recognized expert on affordable housing, we continue to advocate for increased resources for HUD-assisted senior housing.

HOUSING EXPERTISE

B'nai B'rith senior housing is committed to promoting and maintaining the highest level of service and expertise. Each year, management professionals and members of the individual boards of directors of the B'nai B'rith housing units meet to share best practices. In addition, management professionals and service coordinators get together on a yearly basis to ensure they are up to date on the latest HUD guidelines. Every other year, housing residents who represent their local resident councils meet at a summer camp for workshops to share experiences and learn about programs at other housing properties.

SENIOR ADVOCACY

Lifelong access to quality, affordable housing and health care is crucial to ensure a healthy older population. Through our long-standing partnership with HUD, B'nai B'rith works with federal agencies to strengthen housing programs for low-income seniors as well as to advocate for improved access to better health care.
